

## About SOHSA

### Information about the Sheffield Occupational Health and Safety Association

Established in 1922, our mission is to "protect people's health and safety by ensuring risks in the changing workplace are properly controlled". We aim to support local companies and individuals in their quest for improved health and safety performance and thirst for relevant knowledge.

Present group members include safety professionals in engineering sectors, construction, scientific laboratories and research, heavy industries (including steel and glass manufacture), hospitals and first-aid, local councils, theatre, education and training, retail, legal and office sectors.

**Membership costs only £40 per year** and includes six member meetings on key topics, online resources, networking and more.

#### Health and Safety is good for business!

*Health and Safety is no accident and requires commitment, knowledge and consistency in approach.
